

CAPT 90 Minute Delay Schedule:

In the event of an impending 90 minute delay to school, CAPT testing will begin at 9:00 and will end at various times depending on which test is scheduled for that day. (All other students must arrive at a time that will be determined and announced on the day prior to the possible delay.)

School Cancellation Schedule:

In the event of a school cancellation during the CAPT testing weeks, CAPT testing will be cancelled and made up at a later date. (The State of Connecticut requires March 2nd, 3rd, and 4th to be made up on the following day, as these are mandatory testing dates for specific tests. Any other missed tests would be moved to March 15th.)

Please feel free to call Mr. LePage for any clarifications at (203)-879-8164
