Presents: The 2<sup>nd</sup> Annual

### “Night of One-Act Plays”

Friday, October 23, 2009

7:00 p.m. – WHS Auditorium

Admission - \$4 per person

Please join us for a night of straight theater presented and directed by our current International Thespian Honor Society members. **Maria Levanti** will present “**Signs**” - an interesting look at relationships. **Tyler Prigionieri** will present “**Take Your Kid to Work Day**” – a comical way to show what can happen when you take your child to work. **Jamille Rancourt** will present “**The Game**” – more on the serious side, this looks at the ongoing “game” of life and death. And **Alyssa Testa** will present “**The Wedding Story**” where you see a marked difference between “a story” and reality.

Each play is approximately 10-15 minutes. Students from **all** grades are performing the various parts. As required for ITS membership, our student directors have been responsible for choosing a play, running the auditions, scheduling rehearsals, and arranging for props and costumes.

**Please come and support them in their first efforts as theater directors; it promises to be an entertaining evening!!**
